

## Wall & Attic Air Shammee

### ASHWALL & ASHATTIC

These units mount inside your bay or in the attic. They are the **THIRD** most profitable feature on the selector switch. Every self-serve car wash bay should have one, or the car wash owner is losing money.

#### Specifications

ASHWALL mounts inside the bay and includes a colored dome. ASHATTIC mounts inside the attic, no dome included.

#### Construction

- 5 horsepower motor
- Polished stainless nozzle holder
- Optional lighted dome available in any color
- Selector switch decals

#### Electric

- 3 phase
- 220-275 at 13 amps or 380-480 volts at 7.5 amps
- 24 volt signal from selector switch to turn on

#### Signage

Comes complete with 12" x 18" in bay "Instructions for Use" sign, selector switch decals (5 different shapes & sizes) and dome sticker. A (2' x 6') full color banner is an available option.

#### Selector Switch Function Profitability

For fourteen years, Diskin Systems has been developing the concept of hand held dryers for the car wash industry. Diskin Systems has partnered with other vendors to create the most advanced hand held vehicle dryer in the world.

As a result of our vendors' expertise and the dedication of Diskin Systems, we present to you our drying system called the Air Shammee™ as well as our Extreme Air™ tire inflator. Diskin Systems is dedicated to increasing the car wash owner's profits.

If you would like additional copies of any of the literature featured in this packet for your marketing purposes, please e-mail [troy@diskinsystems.com](mailto:troy@diskinsystems.com) or call us.

Thank you for your interest in our product line.

Sincerely,

Troy Diskin  
President
